ITEM

ACTION

1. Apologies for absence.

Cllr Mr S Khaliq

2. Questions / Observations from the Public

Mrs M Marke spoke about problems at the pedestrian footpath leading from South Cornelly to North Cornelly. Mrs Marke said the path is extremely muddy and slippery due to sodden leaves and overgrowth, which combined with the steepness of it, makes it very difficult to use. The light in the area is also overshadowed by an overgrown hedge making the path very dark at night and during the winter first early in the morning. Mrs Marke also said the speed of the traffic in this area makes it very dangerous to cross from South to North Cornelly and the lack of visibility due to overgrown shrubbery on the roundabout makes it even more hazardous. This matter was discussed and the Clerk was asked to contact BCBC Highways department regarding the issues described with the highway and path and also contact the Rights of Way department at BCBC about the overgrown hedge along the path.

This hedge has not yet been cut back. The Clerk to chase this matter.

5.3 On item 6.1 – Virgin Media – Bringing Ultra Fast Broadband to Cornelly

The Clerk reported on correspondence received from Ms C Davies - Virgin Community Liaison Officer, informing members that Virgin are nearing the end of their build and asking if the Council are aware of any community events where Virgin's packages could be advertised to residents. Members discussed this correspondence and asked that the Clerk respond to Ms Davies informing her that there are areas such as Heol Llan and Heol Ty Draw where despite numerous complaints to onsite personnel, the installation is not being carried out to the standard expected. The pavements are not being reinstated to a proper standard and trenches in grass verges are not being made good. The Council did not therefore feel they could promote Virgin's packages at this time as they are dissatisfied with the work being carried out.
